

## Leadership Vistas

### The Alta Vista Program

Business Women Rising is pleased to announce a new and exclusive thought-leadership forum connecting **CEOs and top-tier executives** from \$25M companies and larger who want to create cultures of high performance and true engagement. The Alta Vista program is a confidential, peer mentoring venue where 8 to 10 senior decision makers convene to learn, promote business growth and explore strategies for personal and organizational transformation.

### Leadership Vistas offer you more!

- Stimulating discussion and debate of real world challenges with renowned thought-leaders, subject matter experts and other executives like you who understand the critical issues uniquely faced by those at the top
- Personal Accountability Cohorts (PACs), there when you need them, to help you focus and deliver on what matters
- Ongoing learning and support from others who walk in your shoes

### The Alta Vista program will enable you to:

- Connect and build powerful, long term relationships with a trusted network of peers
- Receive ongoing, member-driven education in a “safe haven” environment
- Transform your thinking and promote the level of engagement within your organization
- Minimize risk and deliver better results faster in today’s economic reality
- Continue to take evermore significant and visible leadership roles

### Valuable discussion topics include:

- The Secrets of CEO Compensation
- Identifying and Managing Your Board
- The Top 10 HR Faux Pas
- What You Need to Know about Capitalization

### One-year membership includes:

#### Ten Half-day Sessions

- Meet once a month
- Locations determined by participants

#### Two Regional Events

- The Winter Vista Exchange connects members across local chapters to foster greater networking and mentorship in an expanded meeting format.
- The Summer Vista Exchange is an energetic event that brings together leaders at all levels in a not-to-be-missed networking forum with inspiring keynote speakers, discussions with role model leaders, and more!
