

Leadership Vistas

The Grande Vista Program

Business Women Rising is pleased to announce a new kind of thought-leadership forum specifically designed for **senior managers and executives** who want to transform their organizations by fostering a better approach to team work and engagement. The Grande Vista Program is a confidential and collaborative environment where 10 to 12 executives convene to promote business growth and explore strategies for personal, professional and organizational transformation.

Leadership Vistas offer you more!

- Inspirational dialogs with renowned thought-leaders, subject matter experts and C-level executives
- Ongoing networking and peer mentoring with other talented executives dedicated to accelerating professional and organizational advancement
- Opportunities to enhance leadership skills based on new understandings of human relationships

The Grande Vista program will enable you to:

- Build powerful relationships with a trusted network of senior leaders from other organizations
- Transform your thinking and ability to apply a wealth of insights shared by thought-leaders and business experts
- Generate innovative solutions to a variety of organizational challenges
- Promote more creative thinking and foster greater teamwork within your organization
- Increase your capacity to make organizational endeavors more valuable, satisfying and rewarding

Valuable discussion topics include:

- The Fundamentals of Better Thinking
- Creative vs. Reflexive Organizations
- Why Change Programs Don't Always Produce Change
- Avoiding Transformation Failure
- Organizational Wellness – Moving from Good to Great

One-year membership includes:

Ten Half-day Sessions

- Meet once a month
